

WALDORF ASTORIA®

PARK CITY

Go Hilton is a brand initiative and our hotel participates in this travel program.

- We offer 50% off BAR for both team members and F&F based on an allotted number of rooms per day if occupancy levels allow.
- Once the rooms are filled, they are filled. We do not establish the number of rooms and we do not determine who receives the benefit.
- We are mandated to follow the reservation booking protocol established by brand in order for them to manage the process.
- You and your F&F have an annual allotted number of nights you are able to enjoy these travel benefits.
- Therefore, you **MUST** make all reservations through the Go Hilton site. You can go directly to the booking site (www.hilton.com/go) without using the Lobby.
- Eligible Participants and their approved family and friends can log in at the booking site with their Team Member HHonors or HHonors sign in and password to manage their own reservations.

Our Hilton policy states:

All reservations, changes, and cancellations must be made online at the Go Hilton booking site. The Hilton Reservations & Customer Care (HRCC) center, HHonors Customer Care, and hotels will not be able to make or modify reservations for Team Member or Family & Friends rates.
