## NEARBY ATTRACTIONS

Waldorf Astoria Park City is a mere 35 minutes from the Salt Lake City International Airport (SLC) and 8 minutes from Historic Main Street. Founded in 1870 as a mining town, Park City retains its charm, sense of community and great appreciation for the outdoors. Park City has made North America's most ambitious, but achievable, climate goals: to be net-zero carbon and run on 100% renewable electricity for city operations by 2022.
